TOBACCO IS KING

Of all the crops raised in Franklin Co. tobacco is the best money crop. For the season of 1916-17 prices have been high—as high as anyone could really look for, and the prospects are that for the 1917-18 crop equally good prices will prevail. The

The Old Reliable

FARMERS WAREHOUSE

Rocky Mount, Va.

has been the planters' friend for many years. Being the pioneers on the market, the management has continued the policy first inaugurated of giving the farmer every advantage possible in the way of conveniences for selling, and always fighting for their interests in sticking for the best prices, and securing a liberal number of buyers. We solicit a continuance of the liberal patronage given us in the past, and assure the tobacco growers we are "always on the job."

Franklin County Telephone Company

Rocky Mount, Va.

GENERAL INFORMATION

THE BEST SERVICE

depends upon the measure of cooperation accorded the Telephone Company by the public. The observance of the following suggestions will greatly facilitate the successful operation of the service from all standpoints:

0

BEFORE CALLING

Make sure that you have the correct number and CALL BY NUMBER ONLY. You can give the operator a number call more quickly than calls by name, and in order to hurry up the service we will receive calls by number only.

ANSWERING

Please answer all calls promptly Failure to do so keeps the calling party waiting, and may cause the loss of a very important message. WHEN ANSWERING CALLS DO NOT SAY "HELLO," BUT ANNOUNCE YOUR NAME. By observing the above rule much time may be saved, as in nearly every case when the called party answers "hello" the calling party asks the question, "who is this?" Whereas, if the name had been given instead of "hello" the conversation would go ahead immediately.

UNAUTHORIZED USE OF THE TELEPHONE.

The use of the telephone is limited to the subscriber, his family and his employees on his individual business, If the use of the telephone is allowed to otbers the subscriber must be responsible for collection of the regular fees, paying aame to the telephone company.

REMOVALS

Subscribers wishing telephone service discontinued, should give notice in writing to the telephone company. Requests for moving of instruments from one location to another must be made in writing. Ten days notice should be given for removals.

TELEPHONE DIRECTORIES

In the future it is intention to issue a new directory twice each year, February and August. Any changes in listings, etc , not later than ten days prior to above dates

The company assumes no liability because of errors or omissions in getting up its directories.

ATTACHMENTS TO TELEPHONES

For the good of the service the subscribers' contracts provide that no instrument or appliance other than those furnished by the company shall be used in connection with its telephones and lines.

LONG DISTANCE CALLS

A long distance call is one made outside of the local service area. A particular person will be obtained, if so requested at the TIME OF MAKING THE CALL.

On long distance calls an initial charge applies for the first three minutes, an additional charge a made for all additional time beyond the three-minute period.

If no particular person is name when giving the call, the regular charge will be made when connection is given to the telephone number called.

The company does not undertake to transmit messages, and If done it must be understood that the employee is acting as agent for the toll patron and not for the company.

TO TOWN SUBSCRIBERS:

Have you ever thought how much you may worry your neighbor by just dropping in to use the telephone? You may never have thought and of course your neighbor has not told you, but such cases are continual annoyances. We have had to remove telephones on this account alone. If you wish the use of a telephone, have one of your own. The prices are reasonable.

PHONE NO. 160

BATTERIES, RECEIVER CORDS. ETC.

We have them. We get our batteries fresh from the factory, not from some jobber. This is the reason that batteries purchased from us last longer and give better service than most other ones. It is a known fact that dry batteries run down and lose their strength while stored, and if the best results are to be had one must necessarily use fresh batteries. Ours are always fresh from the factory. We are also in position, because of purchasing large quantities, to make the best prices on batteries and other materials. We stock receiver cords and all other repairs.

Because of the small margin of profit made on batteries and other repairs we do not carry open accounts, but we will be glad to ship any one C. O. D.

Accounts of Merchants, Farmers and others solicited. Every courtesy extended our patrons consistent with safe and conservative banking methods.

N. P. ANGLE, Pres. C. J. DAVIS, Cashier.

PHONE NO. 160

HIGH TOBACCO PRICES

Were the rule at the BANNER WAREHOUSE during the past season. This was brought about not only by the condition of the market, but by our activity in securing buyers who wanted tobacco and would pay the proper prices. We are always looking out for the interests of our customers from every angle.

GARRETT, GRAVELEY & CO.

PRINTING

We make a specialty of printing for farmers and Merchants—Stationery, Sale Bills, Shipping Tags, Molasses Labels, Etc. Write for prices.

ROCKY MOUNT GROCERY & MILLING COMPANY

DISTRIBUTORS.

The 3 Great Points

in favor of the tobacco raiser who sells with us are; (1) Our force is composed of men who have had years of experience in the warehouse business; (2) That we always look to the interest of the seller first and provide a liberal number of buyers for the different grades, and (3) Our sales floor is extra well lighted, showing the piles to the best advantage. These 3 points are the leading reasons why those who sell with us invariably go home satisfied.

Banner Warehouse

Phone No. 29. GARRETT, GRAVELEY & CO.

The Universal Car

FORD CARS have been used and abused for thirteen years over all kinds of roads, and have stood the test and MADE GOOD. Watch Ford service whenever you will and you'll learn, as thousands have learned, that the Ford is the most reliable car on the market today.

WHY TAKE CHANCES and purchase an untried car when you can get the durable Ford for less money and operate it for about one-half the cost of other cars.

You cannot go wrong in purchasing a Ford. Thousands of satisfied owners testify to this fact. The demand for the new 1917 Ford is great and we advise that orders be placed at once for Spring delivery.

FORD ROADSTER, $340.00. TOURING CAR $360.00.
